I would highly recommend Reel Ting Steel Drum band. I hired them for my whole wedding event in the Florida Keys. We had a duo steel drum and flutist for live music and they provided DJ services as well. George took care of all our needs from providing microphone & speakers for the ceremony to helping to emcee and direct our guests. He was very quick and responsive to answer all my questions. He did a great job in playing our requested music and feeling out the crowd. Our guests are still talking about what a great band we had! Reel Ting is an absolute must to add that "Caribbean" feel to any event and are true professionals. I would not hesitate to recommend them for a wedding or event.

- 1 tbs. Dried thyme
- 1 1/2 tsp. Cayenne pepper
- 1 1/2 tsp. Freshly ground black pepper
- 1 1/2 tsp. Ground sage

- 4 Chicken breasts (6 to 8 oz)trimmed of fat or 32 ozs of carved turkey

METHOD / DIRECTIONS:
In a large bowl, combine the allspice, thyme, cayenne pepper, black pepper, sage, nutmeg, cinnamon, salt, garlic powder and sugar. With a wire whisk, slowly add the olive oil, soy sauce, vinegar, orange juice, and lime juice. Add the Scotch bonnet pepper, onion, and green onions and mix well. Add the chicken

breasts, cover and marinate for at least 1 hour, longer if possible. Preheat an outdoor grill. Remove the breasts from the marinade and grill for 6 minutes on each side or until fully cooked. While grilling, baste with the marinade.
RECIPE NOTES:

Islamorada is the next island destination just south of Key Largo. Islamorada is known for its world class sport fishing. Each season welcomes new fishing tournaments and angling opportunities. Bonefishing is especially popular with large bonefish up into the 10 lb. range. Offshore sport fishing can be equally exciting during the winter months for sailfish just off the reefs of Islamorada.

Marathon is midway from the beginning of the Florida Keys to the end. Marathon is known as the heart of the Florida Keys and offers many relaxing vacation resorts.

Big Pine Key and the Lower Florida Keys are as 'laid back' as it gets here. Boating is one of the number one attractions and there are many different tours and trips to Looe Key for diving and snorkeling or out in the backcountry for fishing or bird watching.
Key West is also known as the Last Resort, the Southernmost Point in the continental U.S. Key West is whatever you want it to be. You can hide out in a tucked-away guesthouse, walk the beach and watch a beautiful sunset, or dance all night and peruse Duval Street in downtown Key West.
Whatever your taste, a Florida Keys vacation has something for every individual, couple and family.
